is granted authorization according to Oeko-Tex® Standard 100 to use the Oeko-Tex® mark, based on our **test report 25599**

for the following articles:

Range of dyed cotton, polyester/cotton & cotton/elastane t-shirts, pique polo & sweat shirts. Dyed cotton shirts - poplin & twill. Dyed Polyester Micro & Polar fleeces. Dyed Jackets (nylon & polyester/cotton). Mens & ladies underwear (knitted & woven). Including accessories: zips, polyester buttons, elastics, care labels, transfers & sewing threads.

The results of the inspection made according to Oeko-Tex® Standard 100, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for products with direct contact to skin.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex® mark only in conjunction with products that conform with the sample initially tested.

This authorisation is valid until 31.12.2010

Manchester, 14.12.2009
